VOLUME 12. MARYVILLE, MISSOURI, MONDAY, OCT. 17, 1921. NO. 115

IS INJURED WHEN CAR HITS BUGGY

BACILE MICHAELSON IN HOSPITAL WITH BAD FACE CUTS.

WARNING BY M'CAFFREY

Grand Jury to Investigate Accident—Principals Say Cars Were not Racing.

Bacile Michaelson, son of Mr. and Mrs. Heber Michaelson, who live north of Maryville, is in St. Francis Hospital today as the result of an automobile accident about 7:30 o'clock last night. Mrs. Mary Wagner and her sons, James and Martin, who were thrown from a buggy struck by Michaelson's car, are bruised but not seriously hurt.

Michaelson has a long and deep gash under the right eye and another deep cut about the mouth. There are several other less serious cuts and stratches about his face and head. He was pinned by the steering wheel and his chest is somewhat sore but there are no fractures, according to the attending physician.

Information gathered by Charles McCaffrey prosecuting attorney, who arrived at the scene soon after the accident, led him to believe that the accident was the result of a race between the Chivrolet car driven by Michaelson and a Ford driven by John Wesley Thompson. Both the drivers of the cars and the occupants of the buggy, however, agreed that the cars were not racing or going very fast.

The Michaelsons live on the old Charles Roney farm, about three miles north of the Bovard Corner. The accident happened about a quarter of a mile north of the Bovard Corner. Mrs Mary A. Wagner with her two sons, James and Martin, were driving north in a single seated buggy. The buggy was on the right side of the road. According to the story told Mr. McCaffrey, they saw two cars coming south, abreast of eac hother and apparently racing. The Ford car had two occupants, Thompson, the driver and his mother. In the Chivrolet were Michaelson and his cousin, Virgil DeVine of Council Bluffs, a nephew of Mr. Michaelson. The Chevrolet had no lights.

The buggy was turned on its side when struck by the car. Mrs. Wagner and James were thrown out on the bank at the side of the road, while the other son, Martin, found himself astraddle of the radiator of the car. The horse lay apparently dead for several minutes, but was only stunned.

The front of the car was a complete wreck. The lights and windshield were shattered and the top mashed in. The rim of the steering wheel was torn off. Some observers said the horse reared and fell across the car. While Michaelson was badly cut, DeVine escaped unhurt. He was looking down at a strange light that appeared to some from beneath the car, he said. It is though that Michaelson was also looking down, as he has no remembrance of seeing the buggy.

All of the persons involved in the accident agreed that the two cars were not racing. The Ford car was not working well and Michaelson had turned to pass him, according to their stories of the accident. His lights had been short circuited and had gone out.

The grand jury will investigate the accident to determine if there are grounds for prosecution for speeding or reckless driving without lights. With reference to the matter, Prosecuting Attorney McCaffrey said:

"The speeding or racing along the roads of the country must stop. The ostressing accident which happened last evening will be the subject of Grand jury investigation, and the two boys who were driving the cars will be called upon to pay the penalty.

"The new automobile law, effective November 1, will be strictly enforced and every police officer of the county will assist in enforcing it, or the prosecutor's office will exercise its authority in bringing removal proceedings aginst any officer who fails to assist in its enforcement."

RETURNS FROM QUARTERLY CONFERENCE MEETINGS

The Rev. Frank J. Mapel, presiding elder of the Gallatin district of the M. E. Church, South, returned today from holding quarterly conferences at Wesley Chapel on the Jameson circuit and at Pattonsburg Saturday and Sunday. Mr. Mapel reported these churches as doing good work.

NATIONAL LECTURER M. W. A. HERE TONIGHT

Lectures to Be Given at M. W. A. Hall and Fraternal Film at the Empire Tonight.

Thomas Duffy, national lecturer for the Modern Woodmen of America, will be one of the speakers at a meeting of the fraternal brothers this evening at 7:30 o'clock at the M. W. A. hall. Other speakers will be L. A. Warner, state lecturer, and T. J. Whitehead, district deputy of St. Joseph. The public is invited to hear these speeches.

Following the meeting, free picture show will be given at the Empire theatre after the first show. Five reels of pictures will be shown, being "Who is My Neighbor?" A. sanitarium for tuberculars which is maintained at Colorado Springs, Colo., by the order. The public is invited.

MARYVILLE-TARKIO GAME ENDS IN TIE

LATTER SLIPS OVER LONG FORWARD PASS IN LAST MINUTE

GOOD GAME TO WATCH

Battling Was Replete With Spectacular Features—Final Score 7 to 7

After outplaying Tarkio during the greater part of the game Saturday, Maryville High School's football team had to be content with a tie score when the visitors slipped over a long forward pass which was carried over the goal line for a touchdown in the last minute of play. The final score was 7-7.

The game will count in the conference standings as one game won and one game lost.

Both teams played excellent football, and the game was full of thrills. Maryville's line was far superior, and on straight football the result would never have been in doubt. Tarkio, however, displayed a brilliant aerial attack that appeared to baffle the inexperienced Maryville men. In a return match the local team would have less trouble breaking up the passes.

Neither coach had any alibi after the game. Both seemed to say that it was fifty-fifty all during the game. Each team had a wholesome respect for the other.

It was in the first half that Maryville made its first and only touchdown. The Maryville backs seemed to gain at will through the Tarkio line, but a fumble prevented a touchdown in the first quarter and an attempt at dropkick failed. Early in the second quarter, Fullback O'Banion carried the pigskin over the line.

Tarkio opened up the last half with an extensive repertoire of forward and latteral passes and trick plays, with which they had good success, although the Maryville defense always tightened when the goal was in danger. With two minutes left to play, Tarkio had carried the ball to Maryville's thirty-yard line, where it had changed hands. Throughout the game Coach Ziegler's charges had played sound football by kicking out of danger as soon as they took possession of the ball in their own territory. On this one occasion, they reasoned that half the remaining time could be consumed by using two or three line plunges before kicking out of danger. The theory failed when a fumble occurred on the second play and Tarkio recovered the ball. A thirty-yard forward pass then put the ball into the arms of Blodgett, Tarkio star right end, who carried it over for the

POULTRY SPECIALIST TO SELECT A BREEDING PEN

Will Visit Nodawy County Farms Tomorrow and Pick Hens for Mating With Prize Cockerels.

L. M. Strader, a poultry specialist from the agricultural extension service of the University of Missouri, will spend tomorrow in Nodawy county working with farm poultry co-operators. He will visit the farms of Roy W. King of Hopkins and A. E. Straub and L. O. Reaksecker of Maryville.

He will select a breeding pen of hens which show points free from the standard disqualifications of the breeds and which show points indicating a high egg production. These hens will be mated next spring with cockerels which are sons of hens having a record of 200 eggs or more.

FEDERATED CLUBS HOLD CONVENTION

DELEGATES FROM HERE WILL GO TO TARKIO THURSDAY.

FEATURED BY PAGEANT

Mrs. W. O. Garrett, Mrs. Harry Todd, Mrs. J. F. Hull, Mrs. C. C. Hellmers and Mrs E G Orear in Local Delegation

Delegates from practically all of the federated clubs in the first district will meet in Tarkio Thursday for the annual convention, which will continue through Friday. The state president, Mrs. W. W. Martin of Cape Girardeau and the district chairman, Mrs. L. S. Stubbs of Bethany, will be present at the convention.

Mrs. W. O. Garrett, president of the Twentieth Century Club, Mrs. Harry Todd and Mrs. J. F. Hull, delegates, and Mrs. C. C. Hellmers, district secretary, will go to Tarkio Thursday morning for the meeting. Mrs. E. G. Orear and other members of the local club expect to motor to Tarkio for the convention if the weather permits.

The delegates will be guests of the Tarkio Federation of Women's Clubs Thursday afternoon at the presentation of the Missouri Centennial pageant. The last session of the convention will be held Friday afternoon. The centennial pageant will be presented under the auspices of the Civic Club on the campus of Tarkio College. The event promises to be the largest and most elaborate thing of the sort ever presented in Tarkio. More than three hundred persons are included in the cast, and the big parade with which pageant opens will represent, in twenty-five episodes, the history of Missouri from pioneer days on down through the struggle for statehood to the present day.

The business meetings and the reception for the visitors will be held in the Methodist Episcopal church. The reception is scheduled for Thursday evening.

With some few exceptions, the program as outlined below, will be carried out:

Announce Birth of Daughter.

Mr. and Mrs. Louis Carr announce the birth of a girl baby last Wednesday at Kansas City. The young baby has been called Gertrude.

MAY BANISH BABE RUTH FROM ORGANIZED BASEBALL

Home Run Champ Breaks Rule Against Playing Exhibition Games

Chicago, Oct. 17—The possibility that Babe Ruth, king of swat, may be banished from organized baseball loomed today following his defiance of Judge Landis, high commissioner of baseball, at Buffalo Sunday when he played with a barnstorming team. Judge Landis is expected here from New York today to make ruling in case.

Landis had ruled that members of the championship teams could not play exhibition games. One section of the advisory committee on baseball provides, it is pointed out, that both teams competing for the championship must disband after the world's series and are forbidden to participate in exhibition games during the year in which the championship was decided.

GRAND JURY AGAIN CALLS WITNESSES

INVESTIGATING BODY SPRINGS SURPRISE IN RESUMING SESSION

50 SUMMONED TO APPEAR

Some Out of Town at First Meeting Final Adjournment Tomorrow or Wednesday

The grand jury convened in session today and some forty or fifty witnesses have been subpoened for this afternoon and tomorrow. It was thought when the grand jury adjourned its session over a week ago, but it is said there were some witnesses out of the county at that time whom the jury was desirous of having to appear before it.

It is understood that final adjournment by the grand jury will be taken either tomorrow evening or Wednesday.

The members of the jury are: Charles Talbott, foreman; Frank Barrett, clerk; and John Hubbell, Willis Oxley, Leo King, John Boyer, Henry Neff, W. B. Torrance, Henry Wright, John O'Day, Howard Bancroft, M. S. Casteel.

JURY IS HEARING CASE OF ALLEGED BOOTLEGGER

Roy Langley Charged With Having Intoxicating Liquor at the Ravenwood Picnic.

The case of the state against Roy Langley on a charge of unlawful possession of intoxicating liquor is being heard in circuit court today. Langley is charged with having had liquor at the Ravenwood picnic, which was held last August.

The jury hearing the case is composed of Elihu Busby, Henry A. Thompson, W. W. Alexander, O. O. Gregory, Ben Tarpley, Ira Gillispie, Ben H. Twaddell, John Morehouse, Russ Peters, C. T. Frost, Earl Stphenson and William Taylor.

WILL PAPER SCHOOLHOUSE AS FIRST PRIZE IN CONTEST

Bailey-Cummins Furniture Company Makes Offer to Pupils of Rural Schools.

Here's an opportunity for some rural school to have the interior of the building freshly papered without cost to the directors.

J. B. Cummins of the Bailey-Cummins Furniture Company talked to the Nodawy county teachers at their meeting at the State Teachers College Saturday morning and proposed a contest in which his company will offer a prize to the winner. The store will give three yards of nursery paper to each rural school requesting it. The paper has pictures of animals, birds and children on the lower part, while the upper part is a landscape scene. For the best yard of the paper on which the children have cut out the figures from the lower part and pasted them on the upper part, the store will paper the interior of the school, or give its equivalent.

The contest begins immediately and closes Thanksgiving.

In another contest, the company offers a home writing dask as the prize for the best essay on "The Ideal Furnishings of a Home." This contest is open to children up to the eighth grade in any rural schools, except the consolidated high schools. It also closes Thanksgiving.

ARREST A SUSPECT IN REMUS ROBBERY

CLYDE FINDLEY, NEGRO, IS HELD AT ST. JOSEPH.

WILL DE BROUGHT HERE

Maryville Authorities Find Wrong Men Being Held and Cause Arrest of Former Cook.

Word was received from St. Joseph this afternoon that Clyde Findley, colored, was being held in that city on charge of complicity in the burglary of the Remus mercantile store Friday night. A colored companion of Findley escaped, but it is thought he will be captured. He is also wanted here for the Remus store burglary.

Mayor Fred Robinson, Ed Wallace and Ina Carriger, a colored boy, went to St. Joseph this morning when word was received that three men were being held in that city who were charged with the Remus robbery. The three men were released when the Maryville authorities were unable to identify them.

On walking around the city, the Maryville authorities saw Findley and his partner and caught Findley, but his partner escaped.

Findley formerly was second cook at the Linville hotel here.

The Nebraska license number on the Buick car is a number stolen off of a Ford sedan, according to information received Saturday evening. The car is at the fire station.

Findley will probably be brought back to Maryville as soon as a warrant is sent for his arrest.

GAMING CASES AGAINST BOYS HERE DISMISSED

Understood Main Prosecuting Witness Said He Knew Nothing About The Game

The gaming cases against twelve Maryville men set for trial today were dismissed by Prosecuting Attorney McCaffrey this morning. Mr. McCaffrey stated no reason for the dismissal of these cases but it is understood the main prosecuting witness had said that he knew nothing about these cases. It is said "Sunny" Vance is the prosecuting witness.

The cases dismissed by the prosecuting attorney were: Harry Palmer, Lawrence Shanks, Ross Wade, G. Dunkelman, Arthur Robey, Orville Carmichael, Jack Pennington, Henry Buhler, Paul Buhler, Francis Bluel, Clyde Kegin, Pete Gray.

Those cases resulted from the grand jury which was in session over a week ago.

SWEITZER HOUSE MAY HAVE BEEN SET ON FIRE

Rumor Has It That a Game Was Going on in a Shed Near the House.

The Sweitzer house located near the ball park was totally destroyed about 2 o'clock Sunday morning. No one was living in the house, as Mrs. Sweitzer makes her home with her daughter, Mrs. Thomas Riffe, living in that part of Maryville.

Rumor has it that a game was going on Saturday night in the woodshed near the Sweitzer house and it is thought a cigaret or cigar butt caused the fire. The house was all aflame by the time the fire department arrived.

The loss will probably amount to $400 or $500, according to Fire Chief Burt Rowley.

HIGH SCHOOL ORCHESTRA GIVE FIRST ASSEMBLY

Gold Football Is Presented to Harry Carstens, Captain of Football Team

At assembly at the high school this afternoon, the first appearance of the Maryville high school orchestra was made and several selections were given. The program given was:

Festival Overture.

Cornet solo, "Columbia Polka,"—William Gaugh.

"Dangerous Blues," solo,—Dale Humbert, leader of the choir at the First Christian Church.

"Brisk and Breeze," a march.

William Gaugh is the president and Loren Schnabel is the director of the orchestra. Mr. Schnabel gave a short talk telling some of the merits of the high school that are rarely mentioned such as the high standard of grading. Mr. Gaugh presented a gold football to Harry Carstens, captain of the team, as a token from the orchestra.

WESTMINSTER GUILD PRESENTS PAGEANT

WILL ENACT "THE STRIKING OF AMERICA'S HOUR"

HAS TIMELY MESSAGE

Cast Includes Fifty Persons Under Direction of Mrs. George H. Colbert and Committees

"The Striking of America's Hour" is a notable pageant that is to be presented by the Westminster Guild of the Presbyterian Church at the evening service at 7:30 o'clock next Sunday.

Some fifty persons are required for the presentation of this pageant. It has been presented many times at summer conferences and elsewhere, and according to the Rev. S. P. Allison, "there have been wonderful results in consecration of life and wealth for service." It is more than a mere evening entertainment, or a display of costumes. It presents a timely message for today in emphatic dramatic form.

The Spirit of Brotherhood, Liberty and justice are the three central figures. Before these, the ancient nations of the world pass in judgment. Then appears America before the judgment seat, and indictment is brought against her by the three judges in the name of labor, illiteracy, poverty and child labor.

Then the foreign lands appear with their pleas to America for life and light. The immigrant group is picturesque and presents the longing for all that America can give. A group of children graphically present the conditions affecting child life in great industrial centers and cities. The life-bringing forces of human conservation, education and play work their transformation. Altogether the pageant goes beyond mere entertainment and amusement to touch "conscience with the great chords intoned by the multitude of voices, which, in every language spoken on the earth today, are sounding forth the Striking of America's Hour."

Mrs. George H. Colbert is the general director and working with her on the general committee are Mrs. S. P. Allison and Miss Nell Hudson. The costumes committee is composed of Mrs. Roy Curfman, Miss Mary MacLeod and Miss Laura Craig. Miss MacLeod with her large experience with physical education and the presensation of pageants in connection with that work is rendering valuable assistance in the costuming, which is planned to be elaborate and accurate. Miss MacLeod has in charge also the training of the children, who present one of the most attractive and effective parts of the pageant. Miss Helen Todd, the president of the Guild is busy filling in and helping wherever needed.

STRIKE MAY COME BEFORE DATE SET

ERIE RAILROAD PRECIPITATES CRISIS BY CUTTING WAGES.

GOVERMENT PREPARING

Will Use Airplanes and Motor Trucks to Transport Mails—"No Turning Back," Says Lee.

Chicago, Oct. 17—The Erie railroad today opened the way for an immediate strike of employees by slashing wages in defiance of the labor board. The wages of maintenance of railway laborers were ordered cut from thirty-seven and a half cents an hour to thirty cents. The recent strike vote on this branch showed 98 per cent favoring the walkout. The maintenance of way brotherhood immediately called a conference for Wednesday to decide the action to be taken.

Washington, Oct. 17 — Benjamin Marsh, director of the Farmers National Council, today appealed to President Harding to avert the railroad strike by restoring the railroads to unified government operation.

Cleveland, Oct. 17—"There will be no turning back. We are going ahead with plans for the greatest railroad strike in the world's history" declared W. G. Lee, president of the brotherhood of the railway trainmen today.

Washington, Oct. 17—Government plans to prevent the threatened railroad strike, or, failing to prevent it, to protect public interest once the strike is under way, went forward here today. All the government's machinery is being brought into action against the new menace to the nation's well being.

The post office and the war departments are co-operating on plans to keep the mails moving. Airplanes and motor trucks will insure prompt dispatch of mails, officials said. Meanwhile the public group of the railway labor board went back into session with the Interstate Commerce Commission to see what can be done.

Chicago, Oct. 17.—Factional rupture is threatened in union tanks over the strike call for 6 o'clock on Sunday morning, October 30. The heads of eleven subsidiary unions, representing a membership of one million six hundred eighty thousand, today demanded assurances that the chiefs of the big four brotherhoods will not act independent of them in important strike questions.

St. Louis, Oct. 17.—The proposal of the public group of the Railway Labor Board that rates be reduced commensurate with the twelve per cent wage reduction to the employes is not feasible, declared Benjamin Bush, president of the Missouri Pacific Railroad today.

East St. Louis, Oct. 17.—The packing plants will not close in the event of the railrad strike, Farak Hunter, manager of Swift plant here, announced today. His company, he declared, has ten million pounds of meat on hand and will not be affected for a long time.

Washington, Oct. 17.—The mails will move regardless of the strike, Postmaster General Hays announced today.

"I'm sure the parties to the controversy will not permit developments which will interfere with the government service," he said. "The mails will move in any event."

BLIND BOONE TO GIVE CONCERT WEDNESDAY NIGHT

Will Be Assisted By Mme. Marguerite Day, Lyric Soprano, at the Empire Theater

Blind Boone of Columbia, Mo., will be heard in a grand concert at the Empire theater Wednesday evening at 8:15 o'clock. Boone will be assisted by Mme. Marguerite Day, lyric soprano.

Boone gave a concert in Maryville several years ago.

Mrs. Emma Maroney, Mrs. Mayme Weldon, and Mrs. Earl Squires and children of Cainesville are spending the week at the home of their sister Mrs. O. M. Gray, east of Maryville.

Forumettes

"A woman is only a woman, but a good cigar is a smoke" wrote our old friend Kipling. But where are you going to get that kind of a cigar in Maryville these days?

A reader writes to the editor of the Forumettes to say that he can remember the song we mentioned yesterday but wants to know if any of Maryville people can remember how they used to shed tears when "In the Baggage Coach Ahead" was sung.

Give a man over thirty a good boarding house and I wager he will never marry, said our bachelor friend to us the other day.

We were walking down Main Street with our friend, the collector, the other day and he remarked that it was queer but some men have good credit while others always pay cash and have none at all.

Dan Baker, the court house synic, observed to us the other day that a man may be charged with a crime but he has no idea what being charged really means until some lawyer presents his bill for defending him.

Uncle Abner, says it is often easier to step into another's shoes than it is to walk in them.

This is the season of the year when Maryville stores are beginning to dust off the toys and other articles for there are only sixty more shopping days until Christmas.

Did you ever notice that the average man likes to have it said that his baby looks like him but gets most awfully mad if you tell him he looks like the baby.

We saw a friend walking along the Wabash railroad track the other day and asked him if he did not think he was courting danger. "No" he replied. "not so dangerous as the streets as you know automobiles are not always allowed on the track."

Louise, the stenographer, says when she was a little girl she used to get punished for making faces and is glad she is too big to be punished now.

A man residing on East First Street has, we believe, the most intelligent dog in Maryville. Although it has been many years since a saloon was in Maryville yet every time he passes the place with his master he stops and looks up at him with an inquiring eye.

Aund Lucinda says she wonders how some Maryville men who belong to nearly every lodge in town can take the orders seriously and their homes seriously at the same time.

A glance at the calander should convince any man that his days are numbered.

There are many people in Maryville who can remember when it was not ladylike for a girl to use powder. What do they think now?

The conversation of grandfathers and grandmothers is being sought after by the younger set these days. It seems in the older days the folks did a lot of their own brewing and they are suspected of having the recipies tucked away in their heads.

Wonder is it is not about time for Maryville flappers to get their golashes out of the moth balls or wherever they keep'em.

RETURNS AFTER TWO WEEKS OF STUDY IN ST. LOUIS.

Eugene Yehle of the Yehle Dry Goods Co. returned last night from St. Louis, where he has been studying the making and hanging of all kinds of curtains and drapery materials. Mr. Yehle spent two weeks in the largest drapery and rug houses, going through the work rooms, watching the process of making the new styles of draperies and curtains. He also accompanied and helped the workmen when the draperies were hung in the private houses of St. Louis.

Mr. Yehle also studied the other things that pertain to home decoration and home furnishing. He is connected with the home furnishings department of the Yehle Dry Goods Co.

While in St. Louis he saw the football game in which the Missouri Tigers defeated St. Louis University. He returned by way of Columbia, where he saw Missouri defeat Ames, 17-14, in the game played there Saturday.

Mr. Hyslop to New York.

Charles Hyslop will leave tonight for New York City, where he will visit a nephew, after which he will go to his birthplace at Penn Yan on Keuka Lake, N. Y., to visit relatives. En route home he will stop at his old home in Carthage, Ill. to spend a few days on business. Mr. Hyslop will be gone until November 1 and during that time his office will remain closed.

Mrs. H. B. McConkey and children returned last night from Gentry County where they have been visiting relatives for a few days.

MARYVILLE-TARKIO GAME ENDS IN TIE

(Continued from page 1)

tying touchdown.

The game was cleanly played throughout, although both teams were hitting hard and low.

A feature of the game was the punting of O'Banion, which improves in each contest. One of his kicks went for about fifty yards. Both teams tried a dropkick which failed.

The game by quarters was as follows:

Maryville kicked off to Tarkio. Tarkio fumbled the ball and it was Maryville's ball. Maryville attempted three short ends runs with no results, and O'Banion punted. Tarkio punted in return. Maryville received the punt on Tarkio's thirty yard line. Maryville's pass and punted. O'Banion fumbled the ball on a line plunge. Tarkio punted. Maryville made downs in straight line plunges. Ellis completed a forward pass to Ogden. Maryville lost the ball on the twenty yard line. Tarkio punted. Maryville caught the punt on the forty yard line. Barry made a 14-yard gain in a fake end run. Lont went in for Nichols who was slightly injured. Maryville was penalized for off side.: Maryville attempted forward pass. The ball was caught out side and placed on the forty yard line. O'Banion attempted a drop kick but missed by several yards. Tarkio punted. Maryville lost fifteen yards on a long end run.—Quarter over.

Second quarter—O'Banion made a fifty yard punt. Tarkio punted on first down. Maryville made a fifteen yard gain over Legerwood. O'Banion completed a forward pass to Carstens for a gain of fifteen yards. Maryville seemed to have no trouble to break through Tarkio's line. Barry made 8 yards on a short end run. O'Banion carried ball over the goal for eigh yards gain. The force of his plunge would have carried him through a stone wall. Ellis kicked goal, making the score 7 to 0.

Ellis kicked off for Maryville. Tarkio received the ball on the twenty yard line. Tarkio punted on first down. Barry made an eight yards gain. Ellis made a 12 yard gain. Both were short end runs. Half over. Maryville had the ball on Tarkio's 15 yard line.

Tarkio kicked off. Maryville received the ball on twenty yard line. Maryville punted to the 40 yard line. Tarkio made 10 yards on a fake pass, ten on another forward pass, and 15 more on fake pass. Tarkio lost ball on downs Maryville punted after a free-for-all, Tarkio recovered the ball. Masters recovered a fumble on Tarkio's line buck. O'Banion punted. Tarkio punted and Maryville began a series of line plunges. Tarkio intercepted a forward pass. Tarkio gained 8 yards on a fake pass. Quarter up. Tarkio had the ball on Maryville's 20 yard line.

Fourth quarter—Tarkio lost the ball on downs. Maryville punted. Tarkio attempted three passes and then punted. Barry made a twelve yard gain in a line plunge. An eight yard gain followed. Maryville fumbled the ball. A forward pass to Tarkio's left end who "had out" made a twenty yard gain. Carstens set Tarkio back 10 yards. Tarkio attempted a drop kick. Eaten olocked it. Maryville punted and after a free-for-all, Barry recovered the ball for Maryville. Maryville attempted two passes. Both were incomplete. Ellis made a 6 yard gain on a fake punt. Maryville fumbled ball. Tarkio's right end completed a forward pass making touchdown. Goal was kicked. Score 7-7 with ½ minute to play.

Tarkio kicked off, and in the remaining minute of play, spectators could see only a cloud of dust as the Maryville backs tore through the Tarkio line in desperate efforts to make another touchdown. The whistle blew and the game was over.

The line ups were as follows:

Maryville—Willoughby, qb; Carstens, re; Ogden, le; Masters, lg; England, rhb; O'Banion, fb; Eaten, lt; Ellis, hb; Hall, c; Blagg, lg; Substitutes: Barry for England, England for Ellis, Ellis for England, Legerwood for Eaten.

Tarkio—Nichols, c; Christerson and Wollether, guards; Van Laver, tackle; Benhan and glodgett, ends; Milchan, qb; Wite, fb; Carpenter and Yale, halfbacks. Substitutes: Lont for Nichols.

MISSOURI WINS FROM AMES SATURDAY 17 TO 14

Was Their First Valley Conference Game and Their Third Victory and No Defeats.

Columbia, Oct. 17.—The Missouri Tigers defeated the Ames eleven Saturday by a score of 17 to 14, winning their first Valley conference football game and adding a third victory to their record of no defeats.

The first quarter began badly for the Tigers. Ames kicked off and Missouri fumbled. The ball was held in Missouri territory by the Ames delegation and, when the Tigers tried to kick out of danger and muffed a pass from center, an Iowa man fell on the ball for a touchdown as it rolled behind Missouri's goal. Ames kicked goal and the score was 7 to 0.

The Tigers played better in the second quarter, but failed to score. They held the Ames team, however, and the quarter ended with neither side scoring.

At the opening of the third quarter, the Tigers showed a new spirit and made several good gains. In trying to receive a punt Ames fumbled and the ball rolled over their goal line. Missouri recovered for a touchdown and kicked goal. A few minutes later a successful dropkick added three more points to the Missouri score. The score was 10 to 7.

Missouri blocked a kick in the fourth quarter, went over for a touchdown and kicked goal. Ames then resorted to forward passes and succeeded in scoring a touchdown. A successful kick made the score 17 to 14. Ames completed several long passes and carried the ball within a few yards of Missouri's goal. The game became intensely interesting at this point for it seemed certain that Ames would go over for another touchdown. This would have been disastrous, for Missouri would have had less than two minues in which to score again. The Tigers showed their fighting spirit and held the line.

BAPTIST SUNDAY SCHOOL AND B. Y. P. U. INSTITUTE

Training Course Will Open Next Monday, October 24, and Close Friday, Otcober 28.

Beginning Monday night, October 24, the First Baptist Sunday school, of which J. R. Lowry is superintendent, will hold a Sunday school and B. Y. P. U. institute under the auspices of the Northwest Missouri Baptist Sunday School and B. Y. P. U. Association.

J. C. Hockett, Baptist state Sunday school secretary for Missouri, will conduct the classes in the "Normal Manual" and the "B. Y. P. U. Manual." The Rev. J. A. Cooper will have charge of the classes in "Winning to Christ" and the senior and adult departments. Other instructors for the departmental work will be: Cradle roll, begininers' and primary work, Mrs. J. D. England; "The Juniors, How to Teach and Train Them," Mrs. L. E. White; "The Intermediate Department," Miss Eva M. Davis.

The opening session will be held at 5 o'clock Monday afternoon, October 24. At this time it is planned to hold all the department classes and the class for the B. Y. P. U. manual. At 6:30 o'clock a luncheon will be served by the Ladies Auxiliary for all who are taking the courses of instruction.

At 7:30 o'clock the second session of the institute will be held. At this time classes in the "Normal Manual" and "Winning to Christ" will be conducted.

The institute will close on Friday evening, October 28, with examinations for all the classes. A diploma will be given the class in the Normal Manual when the book is completed and the five days' work of the institute will be credited toward the diploma. Other work done in the institute by those who have the diploma will add a seal for each book completed.

M. U. DOCTOR TELLS HOW TO CURE COLDS.

Columbia, Oct. 17.—Common so-called "colds" are the most widespread and least dangerous of all infections, according tto Dr. M. P. Ravenel of the School of Medicine of the Univeristy of Missouri, president of the American Public Health Association. The term "catching cold" hides a tremendous amount of ignorance and relieves many a careless physician from criticism.

Many people believe that exposure to cold and drafts produces this trouble, hence the term, "catching cold." As an actual matter of fact, a thermometer will show that instead of having caught cold we really have fever. If a person has made a hothouse plant of himself, then exposure to drafts and cold may do some harm, but more colds are caught by going into poorly ventilated and crowded rooms than by exposure to cold. Under these conditions there is oftentimes a dryness of the nose and throat, which certainly makes it more liable to infection. The normal secretion of our noses is a protection against infection, the flow being outward and washing out dirt and germs. The action of this secretion is readily seen when one's nose is blowa after a dusty railroad trip. Exposure to drafts in a person who is not accustomed to an abundance of fresh air sometimes produces a similar result.

"Colds" are unquestionable contagious. Just what germ produces them is not positively known. It seems certain that several different kinds have the power to produce "colds," since the "cold" is only an inflammation of the nasal mucuous membrane, and is not a specific disease in the sense that typhoid fever and tuberculosis are. "Colds" appear in epidemics and are spread by direct contact of one person with another. Sneezing is one way in which "colds" are usually spread. Mothers who used the same handkerchief to blow the noses of a number of children spread the disease from one to another.

While "colds" are not considered dangerous in themselves in the ordinary person, they have a very bad effect in those who have consumption or other wasting diseases. Further than this, they cause a tremendous loss of time and waste of energy. There is no more reason for "catching a cold" than for catching smallpox. There is more excuse for people have not learned the importance of avoiding "colds."

Patent medicines under the name of catarrh snuffs and balms should be avoided. They are apt to contain cocaine or epinephrin, both of which should be used only on the advice of a competent physician.

For the treatment of "colds" a saline cathartic with one or two days of very light diet is advisable. If a person can spare the time, a hot foot bath and rest in bed for a day will do much good.

PRICES OF FARM PRODUCTS SHOW WIDE RANGE IN STATE

Country Butter 15 Cents in Dallas, 50 Cents in Worth—Same True of Chickens and Eggs.

Jefferson City, Oct. 17.—The prices received at the farm or at local shipping station for butter fat, country butter, eggs and chickens, as based on the mid-September, 1921, Missouri conditions, show butter fat rauges from 26 cents per pound in Ozark county to 42 cents per pound in Clark and Stoddard; country butter from 15 cents in Dallas, Lincoln and Osage to 50 cents in Worth; eggs from 19 cents per dozen in Howard to 35 cents in Platte and chickens from 13 cents in Webster to 24 cents per pound in Audrain and Jackson. The state averages are: butter fat (cream) per pound, 38 cents; butter, per pound, 28 cents; eggs, per dozen, 25 cents; live chickens, per pound, 18 cents.

These prices are an average of all grades as received by the farmer, and no attempt is made to explain high or low rates which might be caused either by differences in quality or from inaccessibility to markets, as investigated throughout Missouri in a survey made by E. A. Logan and Jewell Mayes of the Federal-State Departments of Agriculture.

For Nodawy county the butter fat per pound is between 32 cents and 35 cents, and eggs 24 cents per dozen and chickens 15 cents per pound.

The rates for bran, coal, gasoline and 8-penny wire nails paid by Missouri farmers in mid-September, 1921, according to figures compiled by the Missouri Crop Reporting Service by E. A. Logan and Jewell Mayes show the average prices of wheat bran as $1.05 per hundred, coal 29 cents per bushel, gasoline 21 cents per gallon, and 8-penny wire nails six cents per pound.

Bran ranged from 70 cents per 100 pounds in Newton and Platte to $1.50 per 100 pounds in Laclede, Ozark and Wayne. Bituminous coal runs from 18 cents per bushel in St. Clair to 40 cents in Jasper, Knox, Platte and Polk. Gasoline ranges from 18 cents in Clay, Howard, Jasper, Pemiscot and Worth to 28 cents per gallon in Ozark and Scotland. Wire nails are priced at 5 cents in many localities and up to 9 cents per pound in Polk. The wide price range is influenced by local conditions, freight rates, distance from railroad and many other factors. The average prices for Nodaway county follow:

Bran 90 cents per 100 pounds; coal 34 cents per bushel; gasoline 25 cents per gallon.

A Correction.

In last Monday's Democrat-Forum it was printed that Willis Reese, who had been arrested on a charge of arson in the third degree, had pleaded guilty, when it was meant that he had pleaded not guilty. It also stated in the article that bail was given for $1,000.

We wish to make this correction in justice to Mr. Reese.

407 ADDITIONS IN COUNTY EVANGELISTIC CAMPAIGN

31 Are Added at Maryville Church Sunday, Making Total of 76 —Guilford Meeting Closes

The results of the revivals over the county yesterday are as follows: Maryville 31 added, 76 to date; Burlington Junction 26 yesterday, 49 to date; Barnard 12 yesterday, first invitation; Pickering 3 yesterday, 55 total; Hopkins 3 yesterday, 25 to date; Skidmore 9 yesterday, 37 to date; Guilford 2 yesterday, and closed with 12 additions. The results are 86 added in the Campaign yesterday. A total of 147 for the week and a grand total of 407 added in the county campaign to date.

James Small, the evangelist at Pickering, has returned to his pastorate in Kansas City. J. A. Kay, the singer, begins with the Rev. R. C. Snodgrass at Chillicothe next Sunday. The other meetings continue this week and great results are expected.

The big day at the First Christian Church revival yesterday brough thirty-one more additions to the church and with the four Saturday made a total of seventy-six in the eight days of invitations.

Of those who came yesterday ten men accepted the invitation extended to them in the Men's Class in their meeting in the tent. One hundred and seventy-eight men were present in the class, most of them being there at the beginning of the class session. Plans are being made early in the week for a still greater class next Sunday.

The audiences at the revival taxed the capacity of the building and great interest was manifest at all services. The meetings will continue each night. It was decided last night that there would be no rest night this week, the audience voting for services tonight.

"Living Epistles," the sermon subject yesterday morning, was a direct appeal to the members of the church, preparing them to understand in a better way what the life of the Christian should actually be. There was a strong appeal in the message last night as the Evangelist made the Ark of ante-deluvian days typical to the Church. He brought out forcibly the characteristics of the Ark, such as the one door, the one window, the Ark three stories high, the invitation of God to "Come in" and the doom that came to those who were left outside.

"These things are all typical of the Church," said the Evangelist. "The Church has but one door, and Jesus is that door. You can no more be saved out of the Church that the ante deluvian could be saved out of the Ark. There is no hope away from Christ and the moment you obey Christ you pass through the door into the Church.

"There is but one window in the Church and that is the Word of God. The light that shines in the Church must come from the revealed will of our Father in Heaven.

"The three stories of the Ark are typical of the three Heavens. The first Heaven, the life in the Church on earth, the second Heaven the intermediate state of the righteous dead, the third Heaven, where God is in the Eternal Home of the saved.

"God's invitation is extended to you Some day the door will be shut and you will have committed the unpardonable sin, and the doom will be inevitable. What is it that saved Noah and his family? Some one says "Faith saved them" that is true. So also did the Ark save them and so also Peter says, 'They were saved by water.' None of these things alone saved them. They could not have been saved by Faith alone or water alone or the Ark alone. So neither can the sinner be saved by Faith only or repentance only or Baptism only but it takes all these together to save. That 'alone' business unscriptural and with out foundation in the Word of God."

Mr. Humbert and Mrs. F. P. Robinson sang last night "I Am Happy In Him."

The sermon subject tonight will be "Why God Don't Kill the Devil"

at Democrat-Forum

The regular Monday noon Luncheon was held in the First Christian Church today for the members of the County Board and all the evangelists and pastors in the county. Several items of business were taken up and plans made for the week's work. At 2 o'clock, public services were held and several delegations were in attendance from outlaying Churches. Mr Wilson and Mr. Van Evera of Skidmore and Hopkins sang solos. A male quartet number was also given by the other singers of the county. Dr. Kellems gave a special address by invitation on the subject. "What Takes Place In The Act of Baptism."

Buried in Skidmore Saturday Afternoon

Funeral services for James Harvey Hughes, a gold star hero, were held Saturday afternoon at the home of his sister, Miss Mary Hughes and brothers, J. P. and Ed. Hughes, about two miles southeast of Skidmore. The services were conducted by the Rev. S. D. Harlan, pastor of the Christian Church in Graham, and interment was in the Grove cemetery. The James Harvey Hughes Post, American Legion, of Skidmore were in charge of the burial rites and attended the serices in uniform. The pall bearers were Fred Mast, Leland and Harvey Linville, Bert Garnett, Roy Blackney and Roy Hopkins, all members of the Skidmore Post.

The body of Hughes arrived in Skidmore Saturday morning from Hoboken, New Jersey. He was a member of Company L, 4th Infantry, and was killed while in action October 15, 1918.

FUNERAL SERVICES FOR AGED GUILFORD WOMAN

Mrs. Shores, 91 years old, died at her home in Guilford Saturday and funeral services were held yesterday at the Latter Days Saints Church in Guilford, the services being conducted by Rev. Samuel Twombley, pastor. Burial took place at the Prairie Home cemetery near Graham. She is survived by two daughters and one son, who are, Mrs. Rosa Richards of Conception; Simeon Shores of Conception; and Mrs. Anna J. Nelson of Guilford.

GUILFORD MEN TO MEET WITH SERVICE COMMISSION

O. H. Spicer and Carl Wray will represent Guilford at the hearing to be held tomorrow in St. Joseph when the state public utility commission will consider the proposition of discontinuing the two motor trains on the Chicago Great Western. The application for their discontinuance was filed by the railroad company on the ground that they do not have sufficient business to warrant them. Other towns in this county on that railroad will also be represented at the meeting to protest against the change.

WILSON ABSTRACT AND LOAN CO.

ASKED TO PROVE AUTO OWNERSHIP

APPLICATIONS FOR CERTIFICATES SENT OUT UNDER NEW LAW.

REGISTRATION IS HIKED

Certificate Shall Contain Full Description of Motor Vehicle—Fee for Certificate Is $1.00.

Jefferson City, Oct. 17.—Application for certificates of ownership are now being mailed to approximately 335,000 owners of automobiles in the state with the request that they be filled out and mailed out and mailed with a fee of $1 to the automobile department of the secretary of state's office in compliance with the new motor vehicle law passed by the special session of the legislature and effective November 2.

The requirement of the ownership certificates, provision for a real signaling device on closed cars in cities of 10,000 or more and provision that all automobile headlights must be equipped with approved diffused lens are the most radical features of the new law. The registration fees also are increased $1 over the present schedule of fees, but the increase is not effective until next February 1.

Oscar Steininger, commissioner of motor vehicles, was unable Saturday to place an estimate on the number of automobiles which will be affected under the provision of the law requiring the rear signalling device, showing when a machine is going to make a turn, come to a stop or slow down.

Must Give Sources of Title.

The section of the law requiring that owners of automobiles have certificates of ownership provides that before the automobile is registered the owner must have his own certificate.

It provides that the application for the certificate of ownership shall contain a full description of the motor vehicle, the manufacturer's or other identifying number, together with a statement of the applicant's source of title and of any liens or encumbrances on the machine.

The fee for the owners' certificate is $1, in addition to the registration fee for the motor vehicle and the certificate shall be good for the life of the machine, so long as it is held by the original owner. It will not be necessary to renew the owners' certificate each year.

The section provides that the present owners of automobiles must make application for the certificates within four months after the law becomes effective.

Registration Fee Increased.

The increased registration fees for automobiles and automobiles which become effective next February are as follows:

For motor vehicles other than commercial motor vehicles:

Less than 12 horsepower	$ 5.00
12 horsepower and less than 24 horsepower	7.00
24 horsepower and less than 36 horsepower	11.00
36 horsepower and less than 48 horsepower	15.00
48 horsepower and less than 60 horsepower	17.00
60 horsepower and less than 72 horsepower	21.00
72 horsepower and more	25.00
Motorcycles	4.00
Motortricycles	5.00

For commercial motor vehicles having a capacity of:

Less than 2 tons	$ 7.00
2 tons and less than 5 tons	12.00
5 tons and less than 6 tons	18.00
6 tons and less than 7 tons	20.00
7 tons and less than 8 tons	24.00

and for every ton or major fraction thereof in excess of 8 tons, $10 per ton.

For each trailer there shall be paid a fee equal to one-half of that provided for commercial motor vehicles and for each semi-trailer there shall be paid a fee equal to one-quarter of that provided for commercial motor vehicles, according to the live load capacity of such trailer or semi-trailer.

OBITUARY.

Mrs. Mary A. Charles died at her late home, 216 South Mulberry street, this city, October 12 at the ripe old age of 84 years. She was converted and joined the M. E. church in early life and lived a cheerful consistent Christian life to the end.

The funeral services were conducted by the Rev. O. L. Curl of the M. E. church of this city at 11 o'clock, October 15, and her remains laid away in Swan Chapel cemetery beside her beloved husband, Oliver P. Charles, who preceded her to that better land some nine years before.

The deceased was the mother of eleven children, six boys and five girls, eight of whom survive, four boys and four girls, besides 24 grand-children and ten great grandchildren. The family present at the funeral were Mrs. Eva Murray, Maryville; Mrs. E llen Fannon, Macaroff, Canada; Mrs. O. Wyatt, Springfield; Mrs. Mary Brooks, Baldwin, Kans; Henry M. Charles, Kansas City; Frank L. Charles, Fowler, Col.; E. R. and C. W. Charles of Seattle, Wash., were unable to attend.

Others here for the funeral were J. E. Hill of Savannah and Val Graff and wife of Rosendale.

WILCOX WINS FROM WHITE STARS BY ONLY ONE RUN

Maryville Team Asks Return Game for Next Sunday to Be Played at Fairgrounds.

Once more a baseball game played by the Maryville White Stars ended with only a one-run margain between the contesting teams, when Wilcox was victorious in a free hitting game played yesterday afternoon at Wilcox. The score was 12 to 11.

Wilcox took a big lead in the first inning when they scored five runs. The White Stars tied it up in the third with an equal number of runs, and scored three more runs in the next inning, followed by another flock of three in the fifth. At this point, Homer Black was replaced by Huff as the Wilcox twirler.

Wilcox made one score in the fourth and two in the fifth, brining the count to 11-8. Another run was added in the eighth.

In the final inning, Wilcox had scored one more run and had a runner on second base, when an umpire's decision was made that the Maryville players claim robbed them of the game. Verlin Coulin, White Star second sacker, caught a line drive at his shoetops and tagged second base, completing a double play. The umpire, however, ruled that he had not caught the ball on the fly and called both men safe. Both scored later in the inning with the tieing and winning runs. The double play would have ended the inning with the score 11 to 10.

The Maryville team is not satisfied with the final verdict and asks for a return game to be played at the fairgrounds here next Sunday, which will be the closing game of the season.

The line-ups were as follows: White Stars—V. Conley, 2b; Hise, ef; M. Still, p; Mayes, c; C. Still, rf; H. Buhler, 1b; Moon, lf; Scott, 3b; F. Conley, ss.

Wilcox—Smiley, ss; Tobin, 3b; Black, p; Brennan, 2b; T. Tobin, c; P. Tobin, lf; Earl Booth, 1b; Huff, rf and p; Booth ,cf.
